The Whitewater Wildcat Soccer Goal Club (WSGC) sponsors the Discount Card Program as the main fundraiser for the high school girls and boys soccer teams. This program supports the soccer program and offers the opportunity for players to sell discount cards to offset the costs of fees. Last year, many players sold enough discount cards to offset all of their expenses for booster fees and player packages.

Program Requirements:

- Each player is asked to sell a minimum of 20 discount cards. The proceeds from selling the 20 cards go to the booster club general fund to help cover the program expenses.
- Opportunity for individual player benefits - After the player sells the initial 20 cards, each additional card sold can be used by the player to reduce fees on a dollar per dollar basis. For example, if the player sells 40 discount cards total then \$200 will be applied as a credit on their account towards the player's fees. The booster club fees for the 2009/2010 school year were \$200, so in this case the player's fees would be paid in full by selling the 20 additional cards. Players can sell more than 40 cards to cover any other expenses such as player packages for soccer attire. Player account credits that exceed the player's expenses for the season go directly to the booster club to support the program expenses such as pre-game meals/etc.
- Discount cards will be available for pick up at the WHS Back to School Open House on August 4, 2010.
- A deposit check of \$200 made payable to WSGC is required to pickup the cards (the value of the cards picked up). The checks will be deposited after 60 days, following the October booster club meeting, if you have not turned in the funds collected for discount card sales.
- Players/Parents must turn in their discount card sales money at the monthly booster club meetings.
- Additional discount cards can be picked up at the monthly booster club meetings. A deposit check is required for each set of cards picked up. The checks will be deposited after 60 days.
- Cash or checks (payable to WSGC) are acceptable forms of payment for the discount cards.
- The price for one discount card is \$10.
- Each player should sign-up to sell discount cards at the Open House events in August 2010 (additional information will be provided by email). Independent selling is also recommended.

Please sign and return the program requirements form along with your deposit check when picking up your discount cards.
